SACK OF BALBRIGGAN FIVE ARE HELD IS CALLED BRUTAL

ceeds in Horror Any Incident in Ireland.

LONDON, Sept. 22.-The London ury of Ireland."

Balbriggan, described as a peaceful town, hitherto untouched by powanton destruction "worthy of the vagery of the dark ages."

"No horde of Indians turned loose an American settlement in ploneur days could have shown less mercy or more barbaric cruelty," the correspon-dent declared.

"Black and tan police"—so-called because of their black and khaki unforms—captured a barber named Lawless and a dairyman named Gibbons, demanding the names of local bons, demanding the names of local bons refused, were placed against a wall and shot. Both were badly wall and shot. Both were badly wounded, the despatch said.

Later the victims were garaged eath in a way the correspondent de-"I saw the bodies and know it t be true," the despatch said. "Glb-bons had been bayonetted through the neck. His head and face were

The body of Mrs. Sophie Miller, ifty-two, of No. 235 East 57th Street, was found at the bottom of a dumb waiter shaft there to-day by Tony Delo, No. 245 East 67th Street, who

States Secret Service, who rounded up the prisoners, said that in the landlords, who are well known to

he called upon to remove, as far as possible, the discretionary elements of the bills and leave the Justices little alternative in interpreting them

itic alternative in interpreting them y writing into law some unmis-aliable provisions.

One of the bills which has been introduced in an effort to encourage building is that of sacluding new buildings from rent laws. This, it is believed, would work great hardship in high rents.

high rents.
After all, the most necessary After all, the most necessary buildings to be erected are tenements and modest priced apartments. These are occupied by the people who are the greatest sufferers. If the enforcement of all the rent laws is removed from such new buildings the landlord can charge any rent ha pleases, and the tenant would have no recourse. There is no apparent masson for such a bill, except to enrich the landlord. Ne landlord should be non-amenable to the rent laws, since every tenant should have his day in ours, both as to the time hat a land as to the fairness of the rent he pays.

pays. As has been well stated by the Watie the gourts have held that no

brought to the attention of legislators are resentment on the part of the naturally peareful citizen than any other as to the manner in which some Mu- element since the war. The most nicipal Court Justices have acted on flagrant and the most acute form of rent laws passed in the recent Legis-extertion and one which is almost in-excapable is rent profiteering."

The hills that are being whipped The claim is that several of the Mu-thto shape to-day and which will be nicipal Justices have failed to use given the most serious discussion at the hearing to-morrow are in brief.

s follows:
Exemption for practically ten
years from local taxation of all new buildings creeted before 1923, the construction to be be-gun before Oct. 1, 1921. Exempting interest on mort-

Exempling interest on mortgages from State income tax.
Creation of a State Housing
Board for constructive housing
activity in the future.
The creation of Municipal
Housing Boards to be appointed
by the Mayors of cities.
Making conds of the State Land

Bank a legal investment for State and city sinking funds. Encouraging savings banks and insurance companies to invest more of their funds in real es-tate mortgages.
